To Whom It May Concern

Name: Mrs Elizabeth Coetzee

Position: Afrikaans teacher

Period of employment: April 2013 – December 2022

Duties and Responsibilities: Teaching Afrikaans, grade 4

Mrs Coetzee was highly motivated. She is a conscientious individual and the overall standard of her work was excellent. She created a warm, friendly learning environment for her learners and was always responsive to their needs to ensure they achieved success.

During lock-down, Mrs Coetzee supported her learners with daily WhatsApp lessons she created herself. She always looked for better ways to facilitate more effective learning.

Mrs Coetzee is sensitive to cultural diversity and she enjoyed an excellent relationship with all members of staff. She is adaptable and was always willing to help out where she was needed. She was punctual, reliable and always stretched herself to meet increasing demands.

I enjoyed working with Mrs Coetzee. She was always bright and cheerful and she showed a caring attitude towards everybody. I was sad to see her leave, but wish her well in the future.
